Tanyel Bulbul

Blacksburg, VA

Education

Carnegie Mellon University, Computational Design — Pittsburgh, PA, 2000 – 2006
- Dissertation: Process and Product Modeling for Computational Support of Building Commissioning

Middle East Technical University, Architecture — Ankara, Turkey, 1997 – 2000

Middle East Technical University, Architecture — Ankara, Turkey, 1992 – 1997

Experience

Virginia Tech, Building Construction Program Chair — Blacksburg, VA, 2025 – present, 1 year

Virginia Tech, MLSOC Graduate Program Director — Blacksburg, VA, 2022 – 2025, 3 years

Virginia Tech, Associate Professor, Department of Building Construction — Blacksburg, VA, 2017 – present, 9 years

Virginia Tech, Assistant Professor, Department of Building Construction — Blacksburg, VA, 2010 – 2017, 7 years

Pennsylvania State University, Post-Doctoral Researcher / Visiting Instructor — State College, PA, 2008 – 2010, 2 years

Istanbul Technical University, Assistant Professor, Faculty of Architecture — Istanbul, Turkey, 2006 – 2007, 1 year

Awards

Dean's Fellow, College of Engineering, Virginia Tech — 2023 - 2024

Diversity Recognition Award, College of Architecture and Urban Studies, Virginia Tech — 2016
For involvement as faculty advisor of Building Women in Construction (BWIC) and commitment to STEM outreach with girls in local elementary and middle schools.

Faculty Fellowship, Balfour Beatty Construction — 2012
To observe renovation of OR suites at Walter Reed National Military Medical Center, Washington, DC.

Academic Exchange, Technical University of Delft (EU Socrates-Erasmus Program) — 2007

Building Futures Council Graduate Student Conference Sponsorship 2005
Paper selected as one of the innovative ideas that will affect the future of the AEC industry (First Conference on the Future of the AEC Industry, Las Vegas, NV).

Full scholarship for PhD study, Carnegie Mellon University 2003 - 2006

Full scholarship for PhD study, Turkish Higher Education Council 2000 - 2004

Academic Service

Engineering, Construction and Architectural Management (ECAM), Editorial Review Board Member 2015 – present

ASCE Global Center of Computing Excellence, Committee Member 2010 – present
Supports the development of civil engineering-specific computing knowledge, sharing teaching modules and standards.

ASCE Data Sensing and Analysis Committee, Committee Member 2009 – present
International researchers gathering and disseminating information on expert systems and artificial intelligence in civil engineering.

ASCE Visualization, Information Modeling, and Simulation Committee, Committee Member 2009 – present
Promotes appropriate use of databases and information management technologies in civil engineering teaching and practice.

FIRST Alumni Association, Virginia Tech, Faculty Advisor 2019 – present

MLSOC Promotion and Tenure Committee, Committee Member 2019 – present

Building Women in Construction (BWIC), Virginia Tech, Faculty Advisor 2014 – present

MLSOC Curriculum Committee, Committee Member 2020 – 2022

CAUS Associate Dean of Research Search Committee, Committee Member 2020 – 2020

CAUS Faculty Association, Founding Executive Committee Member, representing MLSOC 2019 – 2020

CAUS Interior Design Faculty Search Committee, Committee Member 2019 – 2019

Virginia Tech Campus Development Committee, Committee Member (Faculty Senate representative) 2018 – 2020

Virginia Tech Academic Program Review, Internal Peer Reviewer, Department of Finance, Insurance, and Business Law 2018 – 2018

Virginia Tech Faculty Senate, Faculty Senator, representing MLSOC 2017 – 2020

Virginia Tech Commencement Committee, Committee Member (CAUS representative) 2017 – 2019

MLSOC Diversity Committee, Committee Member 2017 – 2018

CAUS Dean Search Committee, Committee Member 2017 – 2017

MLSOC Faculty Search Committee, Committee Member 2017 – 2017

Virginia Tech Graduate Curriculum Committee, Committee Member (CAUS representative) 2014 – 2017

Virginia Tech College of Architecture and Urban Studies, Committee Member, Honorifics Committee and Diversity Committee — 2010 – 2014

MLSOC Department of Building Construction, Chair and Coordinator, Virtual Design and Construction (VDC) Track — 2013 – 2022

Buildings, Specialty Editor, "BIM in Building Lifecycle" — 2015 – 2015

ASC 50th Annual International Conference, Panel Organizer, "From Design to Construction and Contraction to Facility Management: BIM and Building Lifecycle" — 2014 – 2014

Istanbul Technical University and University of Stuttgart, Workshop Co-organizer, "Reflective: Animating Urban Surfaces, Programming + Design" — 2007 – 2007

International Conference for Enhanced Building Operations, Workshop Coordinator, "Collecting, Modeling, Exchanging and Visualizing Building Commissioning Information Relevant to First Responders" — 2005 – 2005

International Symposium on Generative CAD (G-CADS), Technical Assistant, Reviewer and Symposium Coordinator — 2004 – 2004

Carnegie Mellon University Graduate Student Assembly, Graduate Student Representative (elected) — 2003 – 2004

Carnegie Mellon University School of Architecture, Computational Design Student Representative, MS/PhD Committee (elected) — 2002 – 2003

Book Chapters

Ontology to Support Healthcare Facility Management — 2015
Lucas, J., Tanyel Bulbul
(In R. Issa (Ed.), Ontology in Civil Engineering: A Decade of Research and Development. ASCE Monograph)

Product and Process Models for Building Commissioning — 2012
Tanyel Bulbul
(In O. Akin et al. (Eds.), Embedded Commissioning of Building Systems: Evaluating Buildings in the Information Age. Artech House, Boston)

IFC, STEP: Standards — 2012
Tanyel Bulbul
(In O. Akin et al. (Eds.), Embedded Commissioning of Building Systems: Evaluating Buildings in the Information Age. Artech House, Boston)
